Checklist for Things to Do for Entry into School of Engineering Fall 2015

1. _______  **Placement Tests.**  Take the test by the end of June or verify you are exempt from the test. The placement tests are used to make your course schedule.

2. _______  **Select five humanities/social science electives.** Look at the attached document and choose five courses you may be interested in taking the first semester and order them by preference.

3. _______  **Review Byrne Seminars.** Look at the attached handbook and determine if you are interested in any Byrne Seminars for Fall 2015 and then list them by preference.

4. _______  **Registration.** Submit the online form by June 8 in order to have your schedule made. Online form will become active May 19 and you will receive an email May 19 when it is ready.

5. _______  **Submit Advanced Placement Scores to the College Board.** These scores need to be submitted as soon as possible.

6. _______  **Student ID pictures.** Either following the placement tests or when you arrive in August, have your ID picture taken.

7. _______  **Enrollment Pathway.** Make sure you have done everything needed for the Enrollment Pathway.

8. _______  **Housing Application.** Make sure to complete your housing application. Barr and Mattia are strongly suggested First Year Dorms on Busch Campus for Engineers.

9. _______  **New Student Orientation.** Register for one of the dates in June or July as specified on the Enrollment Pathway. Event sponsored by Rutgers. Representatives from the School of Engineering will be present the second day for a presentation.

10. _______  **Orientation in August for First Year Engineering Students.** Dates and Schedule of Events will be announced May 19.

11. _______  **First Year Convocation.** Ceremony held in the afternoon on a day in the first few weeks. Date will be announced May 19.
