DOUBLE MAJOR DECLARATION

This form must be returned to B100 by submitting the signed form online (soe.rutgers.edu/oas/declaration).

This application is limited to use by students enrolled at the School of Engineering who desire to add a (non-engineering) DOUBLE MAJOR in conjunction with the Engineering program. Double majors appear on the transcript only, not on the diploma.

Name: __________________________  Eng’g Major: __________________

ID#: __________________________  Grad Yr: __________________

Email: __________________________

Double Major (3digit major code + Option code, ex. 750-D for Physics-Professional Option): ___ ___ ___ - ___

Does the Department accept grades of PASS towards the Major? ___________

Student, please read and initial:

1. ____ The student must see a departmental advisor for course selection.

2. ____ At the beginning of the final semester before graduation, student must fill out a Certification of Major Form, take it to the (non-engineering) major department for verification and signature.

3. ____ If you later change your mind and will not complete the major, the minor will remain on the transcript permanently for those semesters until you formally tell this office that you are no longer pursuing it. Be fairly certain about pursuing a major before submitting this form.

4. ____ Double Majors appear on the transcript only, not on the diploma.

5. ____ The Double Major must be completed concurrently with the Eng’g degree. If all Engineering requirements are satisfied, the student must graduate.

6. ____ The student must take this form to the departmental office of the major for a signature before submitting to B100.
