→**Dismissal/Readmission:** Dismissal is official and effective in early June/January. Summer readmission is a chance to earn your place back into the university for the fall semester. Summer Readmission is NOT a grace period. Fall courses, housing, and financial aid will likely be cancelled **even if** applying for readmission. *Readmission into your original engineering major is not guaranteed: the academic record, major GPA, and related academic deficiencies are considered. **Student's initial** _____

→**Readmission into an engineering major after fall dismissal*:** 12cr (including 9cr req'd STEM coursework) between spring at county college and summer, 3.0+ average (no D/F/W), no more than 8cr in summer. Application due June 1st via advising@soe.rutgers.edu.

→**Readmission into an engineering major after spring dismissal*:** RU Summer Session - 2 courses (6-8cr), earn a 3.0 (no D's or F's; **if >6cr taken, 3.0 is still required**). Application due June 1st via advising@soe.rutgers.edu.

→**CGPA:** For either option, the RU cumulative grade point average upon readmission must be at least:

- 1.600 cumulative GPA if it is based on 1 – 30 credits.
- 1.800 cumulative GPA if it is based on 31 – 60 credits.
- 2.000 cumulative GPA if it is based on 61+ credits, and Major GPA must be at least 1.900.

→**Desired Major*:** _____ *Readmission into your original engineering major is not guaranteed.

→**Courses attempted, completed, in progress since dismissal (all-inclusive):** Use the reverse side if necessary.
