

# Asma Makhdoom from West Orange, NJ

## Electrical & Computer Engineering, 2021

---

### Rutgers Involvement

- Society of Women Engineers: Career Fair Representative and Liaison
- Douglass Peer Academic Leader

### Internships/Research

- Summer 2018: Google CodeU Fellow
- Summer 2019: Application & Software Developer Intern at Colgate-Palmolive Co.
- Summer 2020: Software Engineering Intern at Google

### Awards/Honors

- Dennis and Anita Rodkin Scholarship
- NCWIT/Bloomberg GHC Grant Recipient
- Dean's List

### Most Memorable Moment at Rutgers

- My most memorable moment at Rutgers was when RUSA transformed the Multi-Purpose Room in Busch Student Center into a roller skating rink. There was free cotton candy and snow cones in the lounge as well. It was a much needed fun event during the chaos of the semester.

# Chinwendu Chukwu from Willingborow, NJ

## Biomedical Engineering, 2021

---

### Rutgers Involvement

- Career Fair Chair (under External VP) & Research Chair (under Technical Excellence) of the Minority Engineering Educational Task (MEET)
- Peer Mentor of Douglass BOLD Empower Program
- National Society of Collegiate Scholars (NSCS) @ RU-NB Member
- LSAMP Member

### Internships/Research

- Spring Semester 2018: MSE Research in Dr. Klein's
- Summer 2018: Cell Manufacturing Technologies (CMA<sub>T</sub>) REU Program at Georgia Institute of Technologies
- Spring Semester 2019 - Present: Tissue Engineering research in Dr. Olabisi's lab
- Spring 2019: Externship at Picatinny Arsenal
- Summer 2019: Package Testing Engineering Intern at Revlon
- Summer 2020: Associate Specialist Intern at Merck

### Awards/Honors

- Deans List (Fall 2018 - Present)
- United Negro College Fund (UNCF) Stem Scholar
- Nordson BUILDS Scholar
- Women's League of Rutgers Scholar
- Mary and John Bucklin (Douglass) Scholarship
- National Society of Collegiate Scholars (NSCS)
- Ron Brown Leaders Network

### Most Memorable Moment at Rutgers

- My first performance as a part of the Twese Dance Troupes (TDT), when we performed at the Twese Fashion Show; it was the confidence booster I needed to end my first year here at Rutgers.

# Christian Bondalo from Kenilworth, NJ

## Packaging Engineering, 2021

---

### Rutgers Involvement

- Treasurer of Rutgers University Alternative Breaks
- Legacy Peer Leadership Mentor with Office of Leadership and Experiential Learning
- First Year Integration Mentor w/in SOE
- Professional Development Chair of Packaging Engineering Club
- Event Management Co-Chair at Active Minds
- PackJam Planning Committee Member
- Speaker for VPVA Men's Story Project

### Internships/Research

- Summer 2019: Packaging Engineering Intern at Stryker
- Fall 2019 - Spring 2020: RUAB Intern for Office of Leadership and Experiential Learning
- Summer 2020 - Fall 2020: Mondelez Packaging Co-Op

### Awards/Honors

- DCLEAD Site Leader of the Year
- Peer Leadership Mentor of the Year
- Former member of Arnold Air Society
- Dennis and Anita Rodkin Scholarship Recipient
- Dean's List

### Most Memorable Moment at Rutgers

- My most memorable moment at Rutgers so far is being a DCLEAD Site Leader for Rutgers University Alternative Breaks. Along with 5 other Site Leaders, I led 45 first-year students on a week of service in Washington, DC with a central focus on the issues of hunger and homelessness. I was able to impart leadership skills and a passion for service to 45 other people who will hopefully spread that passion to others.

# Harsh Patel from Iselin, NJ

## Industrial Systems Engineering, 2021

---

### Rutgers Involvement

- Public Relations Chair of IISE
- Resident Assistant at Mattia Hall
- Verse One Member

### Internships/Research

- Summer 2019: Independent Contractor at Belle Fleur New York
- Summer 2020: Supply Chain Intern at Marotta Controls

### Awards/Honors

- Dean's List (Fall 2017 - Present)
- SOE Scholarship Recipient
- National Society of Collegiate Scholars

### Most Memorable Moment at Rutgers

- My most memorable moment at Rutgers was performing at TASA night market with my dance team on a vibrant nighttime environment in front of a supporting crowd.

# Mohamad Chacha from Clifton, NJ

## Mechanical & Aerospace Engineering, 2021

---

### Rutgers Involvement

- Society of Hispanic Professional Engineers (SHPE)
- Perseverance for First generation college students
- Engineers of the Future (EOF)

### Internships/Research

- Summer 2018: Internship at Ingersoll Rand – Trane Commercial Systems
- Summer 2019: Internship at Ingersoll Rand – Vehicle Power tools (NASCAR)
- Summer 2020: Design Engineering Intern at Air Products

### Awards/Honors

- Dell Scholarship Recipient
- SOE Scholarship Recipient
- Dean's List

### Most Memorable Moment at Rutgers

- My most memorable moment at Rutgers was going to the National SHPE conference with the Society of Hispanic Engineers and seeing the many companies and opportunities I could have as I pursue a Mechanical Engineering degree.

# Nour Jurri from Morrisplanes, NJ

## Mechanical & Aerospace Engineering, 2021

---

### Rutgers Involvement

- Society of Hispanic Engineers
- Engineers of the Future (EOF)

### Internships/Research

- Summer 2018: Externship at Drake and Scull International
- Summer 2020: Mechanical Engineering Intern at Haddad Plumbing and Heating Inc.

### Awards/Honors

- Dean's List
- SOE Scholarship Recipient

### Most Memorable Moment at Rutgers

- My most memorable moment at Rutgers is when I started attending more Society of Hispanic Engineers (SHE) meetings. I remember being a part of their workshops where I was put on the spot to volunteer for giving an elevator pitch. There were also fun meetings during Valentine's day where we played a partner questionnaire game and workshops where we worked in groups to build the best catapult out of popsicle sticks.
