

Naming Opportunities

Collaborative Work and Environmental Spaces

Atrium/Commons

First and Second Floor Spaces: \$3,000,000

First Floor Atrium: \$2,000,000

Second Floor: \$1,000,000

Lecture Hall

Reserved

Smart Classrooms

First Floor Large Classroom: \$1,500,000

Second Floor 72-seat Classroom: \$750,000

Second Floor 35-seat Classroom: \$400,000

Robotics Lab

\$750,000

Aerospace Lab

Reserved

Leadership Suite

Dean's Office: Reserved

Executive Conference Room: \$500,000

Leadership Offices: \$50,000 - \$75,000

New Jersey Advanced Manufacturing Institute

Undergraduate Concepts Labs and Research Terrace

First Floor Undergraduate Concepts Lab: \$1,000,000

Second Floor Undergraduate Concepts Lab: \$750,000

Research Terrace: \$1,000,000

Manufacturing Pilot Lab and Second Floor Catwalk

\$750,000

Rapid Prototyping Lab

\$750,000

Microfabrication Lab

\$1,000,000

Sustainable Systems

Energy Lab (and Roof Deck/Balcony)

\$2,000,000

Sustainable Infrastructure Lab

Reserved

Urban Informatics Lab

\$150,000

Intelligent Transportation Systems Lab

\$150,000

Civil and Environmental Engineering

Urban and Coastal Water System Lab

Entire Urban and Coastal Waterways Lab: \$800,000

Urban and Coastal Waterways Physical Testing Lab: \$600,000

Urban and Coastal Waterways Control Center: \$200,000

Geo-Systems Laboratory

Entire Geo-Systems Laboratory: \$750,000

Soil Mechanics Instructional Lab: \$400,000

Soil Mechanics Research Lab: \$200,000

Geo-Environmental Lab: Reserved

Environmental Process and Molecular Analysis Lab

Entire Environmental Process and Molecular Analysis Lab: \$500,000

Environmental Engineering Lab: \$150,000

Environmental Chemical Analysis Lab: \$200,000

Environmental Ultraclean Lab: \$150,000

Civil and Environmental Engineering Offices and Leadership Suite

Chair's Office: Reserved

Conference Room: Reserved

Student spaces, faculty and research staff offices: \$25,000 - \$50,000

Join us in igniting the future

For more information regarding how you can support Rutgers Engineering and Weeks Hall, contact Annie Nienaber, Assistant Dean, Development, at annie.nienaber@rutgers.edu or 848-445-2369.
